

## APPENDIX A

### Environmental Stewardship Assessment: Primary environmental issues of local concern

Environmental issue	Check importance of environmental issue locally.			Is this issue regulated?
	High	Medium	Low	
<b>Water Quality</b>				
Nitrate contamination of groundwater				<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Don't know
Eutrophication from nutrient movement to surface water				<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Don't know
Fish kills from discharges or spills to surface water				<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Don't know
Protection of community drinking water supplies				<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Don't know
Pathogen contamination of water				<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Don't know
Other: _____				<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Don't know
<b>Air Quality</b>				
Odors				<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Don't know
Dust				<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Don't know
Ammonia volatilization and deposition				<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Don't know
Hydrogen sulfide				<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Don't know
Other: _____				<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Don't know
