

# LPELC Webinar Series

The LPELC offers a free monthly webinar on a variety of issues related to animal manure management.

## LIVE WEBINARS

- Make sure your software will connect to the webinar rooms. Search "[How Do I Participate in a Webcast?](#)" on our website to read more about how to connect.
- Register online to get access to the URL.
- The meeting room is open about 15 minutes before the scheduled start time.
- All webinars are recorded and archived for on-demand viewing.

## ARCHIVED WEBINAR

Each archive includes the video segments, presentation slides, written summaries of the question and answer session (when available), links to additional information, and access to individual segments within each webinar. Browse these videos by [topic](#) or [chronological list](#).

## CONTINUED EDUCATION UNITS

The webcast series has been approved for Continuing Education Units (CEUs) through the Certified Crop Advisers (CCA) and to members of the American Registry of Professional Animal Scientists (ARPAS).
